Fill in the gaps

Same Love by Macklemore & Ryan Lewis

When I was in the third grade
thought that I was gay
Cause I could draw, my uncle was
And I kept my room straight
told my mom
Tears (1) down my face
She's like, Ben you've loved girls since before pre-K
Tripping
Yeah, I guess she had a point, didn't she
A bunch of stereotypes all in my head
(2) the math like, yeah
'm good at little league
A pre-conceived idea of what it all meant
For those that like the same sex
Had the characteristics
The right-wing conservatives
Think it's a decision
And you can be cured
With some treatment and religion
Man-made, (4) of a pre-disposition
Playing God
Oh no, (5) we go
America the brave
Still fears what we don't know
And God loves all his children
t's (6) forgotten
But we paraphrase a book written
Thirty five hundred years ago

I don't know

And I can't change

Fill in the gaps

Even if I tried
Even if I wanted to
And I can't change
Even if I tried
Even if I wanted to
My love, my love, my love
She keeps me warm
She (7) me warm
She keeps me warm
She (8) me warm
If I was gay
I would think hip-hop hates me
Have you read the YouTube comments lately
Man that's gay
Gets dropped on the daily
We've (9) so numb to what we're saying
Our culture (10) from oppression
Yet we don't have acceptance for them
Call each (11) faggots
Behind the keys of a message board
A (12) rooted in hate
Yet our genre still ignores it
Gay is synonymous with the lesser
It's the same hate that's caused wars from religion
Gender to skin color
A complexion of your pigment
The same fight (13) led people to walk-outs and sit-ins
There's human rights for everybody

Fill in the gaps

There is no difference Live on And be yourself When I was in church they taught me something else If you preach hate at the service Those words aren't anointed And that Holy Water That you soak in is then poisoned When everyone else is more comfortable Remaining voiceless (14)_____ than fighting for humans That have had (15)_____ rights stolen I might not be the same But that's not important No freedom (16)_____ we're equal Damn right I support it I don't know And I can't change Even if I tried Even if I wanted to My love, my love, my love She keeps me warm She (17)_____ me warm She keeps me warm She keeps me warm We (18)_____ play Don't press pause Progress, march on

With a veil over our eyes

We turn our back on the cause

Till the day that my uncles can be united by law

Kids are (19) around the hallway

Fill in the gaps

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)
