

Fill in the gaps

Forever Young (Cover) by One Direction

Let's (1) in style	Do you really want to live forever
Let's dance for a while	Forever
Heaven can wait we're only (2) the skies	Or never?
Hoping for the (3) but expecting the worst	So many adventures couldn't (18) today
Are you gonna drop the (4) or not?	So many songs we forgot to play
Let us die young or let us live forever	So (19) dreams are swinging out of the blue
We don't have the power but we never say never	We let 'em come true
Sitting in a sandpit, life is a short trip	Forever young
The music's for the sad man	I wanna be forever young
Forever young	Do you really want to live forever
I wanna be forever young	Forever
Do you really want to live forever	Or never?
Forever	Forever young
Forever young	I wanna be (20) young
Some are like water, some are (5) the heat	Do you really (21) to (22) forever
Some are (6) the melody of some (7)	Forever
beat	Or never?
But (8) or later (9) all	Forever young
(10) be gone	I wanna be forever young (forever)
Why don't (11) stay young?	Do you really want to (23) forever
It's hard to get old without a cause	Forever
I don't want to (12) like a (13)	Or never?
horse	Forever young
It's (14) diamonds in the sun	I wanna be forever (24) (forever)
And diamonds are forever	Do you (25) want to live
Forever young	(26) (forever)
I wanna be forever young	Forever (forever)
Do you (15) want to live forever	Forever young
Forever	
Or never?	
Forever young	
I (16) be (17) young
