Fill in the gaps

Forever Young (Cover) by One Direction

Let's dance in style	Do you really want to live forever
Let's dance for a while	Forever
Heaven can wait we're (1) (2)	Or never?
the skies	So many adventures couldn't happen today
Hoping for the best but expecting the worst	So many songs we (9) to play
Are you gonna drop the bomb or not?	So many dreams are swinging out of the blue
Let us die young or let us live forever	We let 'em come true
We don't have the power but we never say never	Forever young
Sitting in a sandpit, life is a short trip	I (10) be forever young
The music's for the sad man	Do you really want to live forever
Forever young	Forever
I wanna be forever young	Or never?
Do you really want to live forever	Forever young
Forever	I wanna be forever young
Forever young	Do you really want to live forever
Some are like water, some are like the heat	Forever
Some are like the melody of some (3) beat	Or never?
But sooner or (4) they all will be gone	Forever young
Why don't they stay young?	I wanna be forever young (forever)
It's hard to get old without a cause	Do you really want to live forever
I don't want to perish like a (5) horse	Forever
It's (6) in the sun	Or never?
And diamonds are forever	Forever young
Forever young	I wanna be forever young (forever)
I wanna be forever young	Do you really want to live forever (forever)
Do you really want to live forever	Forever (forever)
Forever	Forever young
Or never?	
Forever young
