

Fill in the gaps

Said I'd never leave her 'Cause her hands fit like my t-shirt Tongue tied over three words, cursed Running over thoughts that make my feet hurt Bodies intertwined with her lips Now she's feeling so low since she went solo Hole in the middle of my heart like a polo And it's no joke to me So can we do it all over again If you're pretending from the start like this With a tight grip, then my kiss Can mend your broken heart I might miss everything you said to me And I can lend you broken parts That might fit like this And I will give you all my heart So we can start it all over again Can we take the same road Two days in the same clothes And I know just what she'll say If I make all this (1)___ Can we stop this for a minute You know I can tell that your heart isn't in it or with it Tell me with your mind, body and spirit I can make your tears fall down Like the showers that are British Whether we're together or apart We can both remove the masks

And admit we regret it from the start

If you're pretending from the start like this
With a tight grip, then my kiss
Can mend (2) broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I (3) give you all my heart
So we can start it all over again
You'll never know how to make it on (4) own
And you'll never show weakness for (5) go
I guess you're (6) hurt if this seed's sown
But do you really wanna be alone?
If you're pretending (7) the start like this
With a tight grip, (8) my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I (9) give you all my heart
So we can start it all over again
If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again
