Over Again by One Direction

Said I'd never leave her

'Cause her hands fit like my t-shirt

Tongue tied over three words, cursed

Running over (1)_____ that make my feet hurt

Bodies intertwined with her lips

Now she's feeling so low since she went solo

Hole in the middle of my heart like a polo

And it's no joke to me

So can we do it all over again

If you're pretending from the start like this

With a tight grip, then my kiss

Can mend your broken heart

I might miss everything you said to me

And I can lend you broken parts

That might fit like this

And I will give you all my heart

So we can start it all (2)_____ again

Can we (3)_____ the same road

Two days in the same clothes

And I know just what she'll say

If I make all this pain go

Can we stop this for a minute

You know

I can tell that your heart isn't in it or with it

Tell me with your mind, body and spirit

I can make your tears fall down

Like the showers that are British

Whether we're (4)_____ or apart

We can both remove the masks

And admit we regret it from the start

If you're pretending from the start (5)_____ this

With a tight grip, then my kiss

Can mend your broken heart

I might miss everything you said to me

And I can lend you broken parts

That might fit like this

And I will give you all my heart

So we can start it all over again

You'll never know how to make it on your own

And (6)_____ never show weakness for letting

go

I guess you're (7)_____ hurt if this seed's sown

But do you really wanna be alone?

If you're pretending from the start like this

With a tight grip, then my kiss

Can mend (8)_____ (9)_____ heart

I might miss everything you said to me

And I can lend you broken parts

That might fit (10)_____ this

And I will give you all my heart

So we can start it all over again

If you're pretending from the start like this

With a tight grip, then my kiss

Can mend your broken heart

I might miss everything you said to me

And I can lend you broken parts

That might fit like this

And I will give you all my heart

So we can start it all over again
