

Fill in the gaps

Over Again by One Direction

Said I'd never leave her
'Cause her hands fit like my t-shirt
Tongue tied over three words, cursed
Running over thoughts that make my feet hurt
Bodies (1)_____ with her lips
Now she's feeling so low since she went solo
Hole in the (2)_____ of my heart like a polo
And (3)_____ no joke to me
So can we do it all over again
If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again
Can we take the (4)_____ road
Two days in the same clothes
And I know just what she'll say
If I (5)_____ all this pain go
Can we (6)_____ (7)_____ for a minute
You know
I can (8)_____ that your heart isn't in it or with it
Tell me with your mind, (9)_____ and spirit
I can make your tears fall down
Like the showers that are British
Whether we're together or apart
We can both (10)_____ the masks
And (11)_____ we regret it from the start

If you're pretending (12)_____ the start (13)_____ this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again
You'll never know how to (14)_____ it on your own
And (15)_____ never show weakness for letting go
I guess you're still hurt if this seed's sown
But do you (16)_____ wanna be alone?
If you're (17)_____ from the start
(18)_____ this
With a tight grip, (19)_____ my kiss
Can mend (20)_____ broken heart
I (21)_____ miss everything you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again
If you're pretending from the start (22)_____ this
With a tight grip, then my kiss
Can (23)_____ your broken heart
I might miss everything you said to me
And I can (24)_____ you (25)_____ parts
That might fit like this
And I will give you all my heart
So we can start it all over again

Fill in the gaps

Answer

1. intertwined
