

Fill in the gaps

Over Again by One Direction

Said I'd never leave her
'Cause her hands fit like my t-shirt
Tongue tied (1)_____ three words, cursed
Running over (2)_____ that make my feet hurt
Bodies (3)_____ (4)_____ her lips
Now she's feeling so low since she went solo
Hole in the (5)_____ of my heart like a polo
And it's no joke to me
So can we do it all over again
If you're pretending from the start like this
With a tight grip, (6)_____ my kiss
Can (7)_____ your (8)_____ heart
I might miss everything you said to me
And I can lend you broken parts
That (9)_____ fit (10)_____ this
And I will give you all my heart
So we can start it all over again
Can we (11)_____ the same road
Two days in the same clothes
And I know just (12)_____ she'll say
If I (13)_____ all (14)_____ (15)_____ go
Can we (16)_____ this for a minute
You know
I can tell that (17)_____ heart isn't in it or with it
Tell me (18)_____ your mind, body and spirit
I can make your (19)_____ (20)_____ down
Like the showers that are British
Whether we're together or apart
We can (21)_____ remove the masks
And admit we regret it from the start

If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss (22)_____ you said to me
And I can lend you broken parts
That might fit like this
And I will give you all my heart
So we can start it all over again
You'll never (23)_____ how to make it on your own
And you'll never show weakness for (24)_____
go
I guess (25)_____ still hurt if this seed's sown
But do you really wanna be alone?
If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I can (26)_____ you broken parts
That might fit like this
And I will (27)_____ you all my heart
So we can start it all over again
If you're pretending from the start like this
With a tight grip, then my kiss
Can mend your broken heart
I might miss everything you (28)_____ to me
And I can lend you (29)_____ parts
That might fit like this
And I will give you all my heart
So we can start it all over again

Fill in the gaps

Answer

1. over
2. thoughts
3. intertwined
4. with
