You tell me you're in (1) with me	Treat you right, be with you day and night
Like you can't take your pretty eyes away from me	Baby all I need is time
It's not that I don't want to stay	Just hang around and you'll see
But (2) time you (3) too close I	There's nowhere I'd (16) be
(4) away	If you love me, (17) in me
I wanna believe in (5) (6)	The way (18) I trust in you
you say	Sometimes I run (sometimes)
Cause it sounds so good	Sometimes I hide
But if you (7) want me move slow	Sometimes I'm (19) of you (oh)
There's things about me you just have to know	But all I (20) want is to hold you tight
Sometimes I run	Hold you tight, (21) you right
Sometimes I hide	Be with you day and night (day and night)
Sometimes I'm (8) of you	Sometimes I run (sometimes)
But all I really (9) is to hold you tight	Sometimes I hide
Treat you right, be with you day and night	Sometimes I'm (22) of you
Baby, all I need is time	But all I (23) want is to hold you tight
I don't wanna be so shy	Treat you right
Every time that I'm alone I wonder why	Be (24) you day and (25) (day and
Hope that you (10) wait for me	night)
You'll see that you're the only one for me	All I (26) want is to (27) you tight
I (11) in everything that	Be with you day and night
you say	Sometimes I run (sometimes)
Cause it sounds so good	Sometimes I hide
But if you really (13) me move slow	Sometimes I'm scared of you
There's things about me you (14) have to know	But all I (28) want is to (29) you
