

Lua by Bright Eyes

I know that it is freezing
But I think we (1)_____ to walk
I keep waving at the taxis
They keep (2)_____ their lights off
But (3)_____ knows a party
At some actor's west side loft
Supplies are endless in the evening
By the morning they'll be gone
When everything is lonely
I can be my own best friend
I get a coffee and the paper
Have my own conversations
With the sidewalk and the pigeons
And my window reflection
The mask I polish in the evening
By the morning looks like ****
And I know you have a heavy heart
I can feel it when we kiss
So many men stronger than me
Have thrown their backs out trying to lift
It
But me I'm not a gamble
You can count on me to split
The love I sell you in the evening
By the morning won't exist
You're looking skinny like a model
With your eyes all (4)_____ black
You just keep going to the bathroom
Always say you'll be right back

Fill in the gaps

Well it takes one to know one, kid
I think you've got it bad
But what's so easy in the evening
By the (5)_____ is such a drag
I've got a flask inside my pocket
We can share it on the train
And if you (6)_____ to stay conscious
I (7)_____ try and do the same
Well, we might die (8)_____ medication
But we'll sure kill all the pain
But what was normal in the evening
By the morning seems insane
And I'm not sure what the trouble was
That started all of this
The reasons all (9)_____ run away
But the feeling never did
It's
Not something I would recommend
But it is one way to live
'Cause what is simple in the moonlight
By the morning never is
It was so simple in the moonlight
Now is so complicated
It was so simple in the moonlight
So simple in the moonlight
So simple in the moonlight...
