

I know that it is freezing But I think we have to walk I keep waving at the taxis They keep turning their lights off But Julie knows a party At some actor's west side loft Supplies are endless in the evening By the morning they'll be gone When everything is lonely I can be my own best friend I get a coffee and the paper Have my own conversations With the sidewalk and the pigeons And my window reflection The mask I polish in the evening By the morning looks (1)_____ **** And I know you (2)_____ a heavy heart I can feel it (3)____ we kiss So (4)_____ men stronger than me Have thrown their backs out trying to lift But me I'm not a gamble You can count on me to split The (5)_____ I sell you in the evening By the morning won't exist You're looking skinny like a model With your eyes all painted black You (6)____ keep going to the bathroom

Always say you'll be right back

Fill in the gaps

Well it takes one to know one, kid
I (7) you've got it bad
But what's so easy in the evening
By the morning is (8) a drag
I've got a (9) inside my pocket
We can share it on the train
And if you promise to stay conscious
I will try and do the same
Well, we might die from medication
But we'll sure kill all the pain
But what was normal in the evening
By the morning seems insane
And I'm not sure what the trouble was
That started all of this
The reasons all have run away
But the feeling never did
It's
Not something I would recommend
But it is one way to live
'Cause what is simple in the moonlight
By the morning never is
It was so simple in the moonlight
Now is so complicated
It was so simple in the moonlight
So simple in the moonlight
So simple in the moonlight
