

Lua by Bright Eyes

I know that it is freezing
But I think we have to walk
I keep waving at the taxis
They keep turning their lights off
But (1)_____ knows a party
At some actor's west side loft
Supplies are endless in the evening
By the morning they'll be gone
When everything is lonely
I can be my own best friend
I get a coffee and the paper
Have my own conversations
With the sidewalk and the pigeons
And my window reflection
The mask I polish in the evening
By the morning looks like ****
And I know you have a heavy heart
I can feel it when we kiss
So many men stronger than me
Have thrown their backs out trying to lift
It
But me I'm not a gamble
You can count on me to split
The love I sell you in the evening
By the morning won't exist
You're looking skinny like a model
With your eyes all painted black
You just keep going to the bathroom
Always say you'll be right back

Fill in the gaps

Well it takes one to (2)_____ one, kid
I think you've got it bad
But what's so (3)_____ in the evening
By the morning is such a drag
I've got a flask (4)_____ my pocket
We can share it on the train
And if you promise to stay conscious
I will try and do the same
Well, we (5)_____ die from medication
But we'll sure kill all the pain
But what was normal in the evening
By the morning seems insane
And I'm not sure (6)_____ the trouble was
That (7)_____ all of this
The reasons all have run away
But the feeling never did
It's
Not something I would recommend
But it is one way to live
'Cause (8)_____ is simple in the moonlight
