

## Fill in the gaps

The congregation sang			And watch the circus	arrive
We knelt and prayed			I don't (6)	here tryin' to focus the blame
As we stood before God			But I'm hurtin' deep o	down inside
On (1) (2)	day		All the pain an' all the	e grievin'
The church bells rang			When did we stop be	elievin'
And the champagne flowed			Too late now to (7)_	the bleedin'
As our friends gather round			It's over	
For the wedding photo			What's the sense in	pointin' fingers
But here we are barely five years on		Who's the saint an' who's the sinner		
An' our whole world's fallin' apart			They're ain't (8)	be a winner
All the plans we had together		It's over		
Up in smoke and (3) for ever			Oh, my dear, what happened to us?	
Poisoned by the lawyer's letter			Tell me, where did it all go wrong?	
It's over			What's the use in keep on fightin'?	
I don't want our kids to suffer			All the tears, all the cryin'	
Can we talk to one another			Why do we (9)	denyin'?
You were once my light, my lover			It's over	
It's over		In all the time I thought I knew ya		
Rumours and (4)	(5)	me	Don't (10)	our children's future
apart			I would do whatever	suits ya
That I know you better than that			Oh yeah	
Inseparable were we		It's over		
With a breeze in our sails		It's over		
Now I feel a chill wind			Yeah, it's over	
On the marriage that failed				
And I pray as I divided				
They've taken their sides				
Now they'll all sit back
