i might have spent my whole life	The pain was (17) than I could take
Waiting in the dark	But (18) each and every scar
Or (1) this place	Has (19) erased
With a (2) inside my heart	And if the sun and moon and stars
You (3) when I decided	Come crashing down
This might be my fate	I'll be in your arms
Not one (4) (5) not one	No safer (20) I found
(6) late	This is more than a simple memory
Tell me how	I can't ignore
You give me (7) with (8) one kiss	My dreams (21) into reality
And (9) my doubt	(Oh) finally
With a love I can't forget	I breathe again
(Oh) finally	There are no words to describe it
I (10) again	There's no way (22) I can (23) it
There are no words to (11) it	(Oh) no, finally
There's no way that I can (12) it	The (24) is gone
(Oh) no, finally	And I don't have to face (25) world alone
The fear is gone	Even (26) I lost my way
And I don't have to face this (13) alone	With you, I'm finally home
Even though I (14) my way	
With you, I'm (15) home	
There (16) times
