Won't (4) me a new black card Bright lights in the skyline
And there's all opinions and assumptions Won't let me lose me way
Back to the grind 'Cause I know somehow
And there's more where it comes from Something's gonna change, yeah
I love the life 'cause my life flash cameras on Let me tell you when to take it down
Tell Cheryl Cole and Rihanna that I love them This is the part where the song breaks down
From young I've been (5) with the fame Stay looking up, never facing down
Know you're in lane Long as the (9) lights are blazing down
'Cause your dreams were the same
Every day I pray, really wishing for a change Flash lights and the good life
Dreams to reality and now I'm in the game Keep calling out my name

Keep calling out my name Something's gonna change
And I pray somehow Bright lights in the skyline
