Fill in the gaps

Bright Lights by Tynchy Stryder & Pixie Lott

Flash lights and the good life
Keep calling out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Let me lose my way
'Cause I (1) somehow
Something's gonna change
(Uh, uh) from the ground to the sky
And it wasn't overnight
Strydes
Last time running never went too well
Heart saying carry on
Head telling me forfeit
Glimpse of the high life
I (2) I never saw this
Now I want it all, want it all, I'm selfish
Felt locked down like I caught a death sentence
Like Alan Sugar fired me from The Apprentice
See my little weight, I must've lost half
Even Nando's
Won't send me a new black card
And there's all opinions and assumptions
Back to the grind
And there's (3) where it comes from
And there's (3) where it comes from
