

## Fill in the gaps

I'm gonna make you bend and	(Ohhhhhh)
I'm gonna make you (1) and break	They say
(It sent you to me without wings)	I only (13) in the form of crunching numbers
Say a prayer, but let the good (2) roll	In hotel rooms
In case God doesn't show	Collecting (14) six lovers
(Let the good (3) roll, let the (4) times	Get me out of my mind
roll)	Get you out of (15) clothes
And I want (5) words to make (6)	I'm a liner away
right	From getting you into the mood
But it's the wrongs	One night and one (16) time
That make the words come to life	Thanks for the memories
Who does he think he is?	Even (17) they weren't so great
If that's the worst you got	He (18) like you only sweeter
Better put your fingers (7) to the keys	One night yeah, and one more time
One night and one more time	Thanks for the memories
Thanks for the memories	Thanks for the memories
Even though they weren't so great	See, he tastes like you (19) sweeter
He tastes like you only sweeter	(Ohhhhhh)
One night yeah, and one more time	One more (20) (one (21) night)
Thanks for the memories	And one more time (one more time)
Thanks for the memories	Thanks for the memories
See, he tastes like you only sweeter	Even (22) (23) weren't so great
(Ohhhhhh)	He tastes like you only sweeter
I'm looking forward to the future	One more night (one more night)
But my (8) is going bad	And one more time (one (24) time)
And this crystal ball	Thanks for the memories
It's always cloudy	Even though they weren't so great
Except for (except for)	He tastes like you (25) sweeter
When you look into the past (look into the past)	One more yeah (one more night)
One (9) stand	And one more time (one more time)
One night stand	Thanks for the memories
One night and one more time	Thanks for the memories
Thanks for the memories	See, he tastes like you only sweeter
Even (10) they weren't so great	(Ohhhhhh)
He (11) like you only sweeter	
One night yeah, and one more time	
Thanks for the memories	
Thanks for the memories	
See, he tastes like you (12) sweeter
