

Fill in the gaps

If I tell you	I'd stand out in the rain
If I tell you now	Anything you (15) me to do
Will you keep on	Don't let it slip away
Will you (1) on (2) me?	There's a quiet storm
If I (3) you	And it never (16) like this before
If I tell you how I feel	There's a quiet storm
Will you keep bringing out the (4) in me?	I (17) it's you
You give me	There's a quiet storm
You give me the sweetest taboo	And I never (18) this hot before
You give me	Giving me something
You're giving me the sweetest taboo	That's taboo
Too good for me	You (19) me the (20) taboo
There's a quiet storm	That's why I'm
And it never felt (5) this before	In (21) you
There's a (6) storm	You (23) me
That is you	Keep (24) me the (25)
There's a quiet storm	taboo
And it (7) (8) (9) hot	Too good for me
before	You've got the biggest heart
Giving me something	Sometimes I think you're just too good for me
That's taboo	Every day is Christmas
(Sometimes I (10) you're (11) too	And every (26) is New Year's Eve
good for me)	Will you keep on
You (12) me the sweetest taboo	Loving me?
That's why I'm	Will you (27) on
In (13) with you	Will you keep on bringing out the best in me?
You (14) me the sweetest taboo	
Sometimes I think you're just too good for me	
I'd do anything for you
