

I hear you out, you hear me out

Fill in the gaps

Hold on now I'm choking	I hear you shout, I'm not stepping out
Give me a second to collect myself	I hear you out, hear me out
You (1) be joking	I hear you shout, I'm not stepping out
Otherwise I'm (2) to myself	Let away fairy tales and
Why you (3) again	Little white lies
Hold on a minute, let me check this out	Everything you exhale
Your invitation's a fake	Is attracting flies
Must be from a take it out	And we can go off the wales and
I hear you out, you hear me out	You can cry your eyes out
I hear you shout, I'm not stepping out	But (5) you exhale
I hear you out, you hear me out	Is attracting flies
I hear you shout, I'm not stepping out	How'd you think you know when you stop igniting
Let away fairy tales and	You know my heart right and you had me aching
Little white lies	How about a piece of (6) own medicine
Everything you exhale	Now you're (7) (8) trying to
Is attracting flies

And we can go off the wales and	get in (B-A-B) What would I care if you want me
