

## Fill in the gaps

Well we all have a face	She refused to (14) answer
That we hide away forever	It was then I felt the stranger
And we take them out	Kick me (15) between the eyes
And (1) ourselves	
When everyone has gone	Well we all fall in love
Some are satin some are steel	But we (16) the danger
Some are (2) and some are leather	Though we share so (17) secrets
They're the faces of the stranger	There are some we never tell
But we (3) to try them on	Why were you so surprised
Well we all (4) in love	That you never saw the stranger
But we disregard the danger	Did you ever let (18) (19) see
Though we share so many secrets	The stranger in yourself?
There are (5) we (6) tell	Don't be afraid to try again
Why were you so surprised	Everyone (20) south
That you never saw the stranger	Every now and then
Did you ever let (7) lover see	
The stranger in yourself?	You've done it why can't someone else?
Don't be afraid to try again	You should know by now
Everyone (8) south	You've been (21) yourself
Every now and then	You may (22) understand
	How the stranger is inspired
You've done it, why can't someone else?	But he isn't always evil
You should (9) by now	And he is not always wrong
You've (10) there yourself	Though you drown in (23) intentions
Once I used to believe	You will never quench the fire
I was (11) a (12) romancer	You'll (24) in to your desire
Then I came home to a woman	When the stranger (25) along
That I (13) not recognize	
When I pressed her for a reason
