

Fill in the gaps

It starts (1) one thing I don't know why	Not (19) you knew me back then
It doesn't even (2) how hard you try	But it all (20) back to me in the end
Keep that in (3) I (4) this	I kept everything inside
rhyme	And even though I (21) it all (22)
To (5) in due time, all I know	apart
Time is a valuable thing	What it meant to me will eventually be
Watch it fly by as the pendulum swings	A memory of a time when
Watch it count down 'til the end of the day	I tried so hard and got so far
The clock ticks life away, it's so unreal	But in the end it doesn't even matter
You didn't look out below	I had to fall to lose it all
Watch the time go right out the window	But in the end it doesn't even matter
Tryin' to (6) on but didn't (7) know	I put my trust in you
I (8) it all (9) to watch you go	Pushed as far as I can go
I kept everything inside	For all this
And even though I tried it all fell apart	There's only one thing you (23) know
What it meant to me (10) eventually be	I put my trust in you
A memory of a time when	Pushed as far as I can go
I tried so hard and got so far	For all this
But in the end it doesn't even matter	There's (24) one thing you should know
I had to (11) to lose it all	I tried so hard and got so far
But in the end it doesn't (12) matter	But in the end it doesn't even matter
One thing, I don't (13) why	I had to fall to lose it all
It doesn't even matter how hard you try	But in the end it doesn't even matter
Keep (14) in (15) I designed this rhyme	
To (16) myself how I tried so hard	©ZOMBA ENTERPRISES INC
In spite of the way you were mocking me	
Acting like I was part of your property	©ZOMBA SONGS INC
Remembering all the (17) you fought with me	
I'm surprised it got so far	
Things aren't the way they were before	
You wouldn't (18) recognize me anymore	

1. with
