

Fill in the gaps

It starts with one thing I don't know why
It doesn't even matter how hard you try
Keep (1) in mind I designed this rhyme
To explain in due time, all I know
Time is a (2) thing
Watch it fly by as the (3) swings
Watch it count down 'til the end of the day
The clock ticks life away, it's so unreal
You didn't look out below
Watch the time go right out the window
Tryin' to (4) on but didn't even know
I wasted it all just to watch you go
I kept everything inside
And even though I tried it all fell apart
What it meant to me will eventually be
A memory of a time when
I tried so hard and got so far
But in the end it doesn't even matter
I had to fall to lose it all
But in the end it doesn't even matter
One thing, I don't (5) why
It doesn't (6) matter how hard you try
Keep that in mind I designed this rhyme
To remind myself how I tried so hard
In spite of the way you were mocking me
Acting like I was part of your property
Remembering all the times you fought with me
I'm surprised it got so far
Things aren't the way they were before
You wouldn't even recognize me anymore

Not that you knew me back then But it all comes back to me in the end I kept everything inside And even though I tried it all fell apart What it meant to me will eventually be A memory of a time when I tried so hard and got so far But in the end it doesn't even matter I had to (7)_____ to lose it all But in the end it doesn't (8)_____ matter I put my trust in you Pushed as far as I can go For all this There's only one thing you (9)_____ know I put my trust in you Pushed as far as I can go For all this There's only one thing you should know I tried so hard and got so far But in the end it doesn't even matter I had to fall to lose it all But in the end it doesn't even matter ©ZOMBA ENTERPRISES INC ©ZOMBA (10)_____ INC
