

You don't know who you can trust now

Fill in the gaps

You like to hurt me	Or you should believe
You know that you do	You close your eyes
You like to (1) in some way	All well an' good
That it's me and not you	I'll kick you ass
(But we know that isn't true)	Like I said that I would
You like to have me	You (5) them stories they'd rather believe
Jump an' be good	Use and confuse them they're numb and naïve
But I don't want to do it	The truth is the truth hurts
You don't know why I won't act the way	Don't you agree?
You think I should	It's harder to live with the truth (6) you
You thought they'd make me	Than to live (7) the lies about me
Behave and submit (submit)	Nobody owes you
What were you thinking	Not one goddamn thing
'Cause I don't forget	You know where to put your
You don't (2) why	Just shut up and sing
I won't give in	I'm sorry for you (I'm sorry for you)
To hell with the pressure	Not sorry for me (not (8) for me)
I'm not cavin' in	You don't know who in the hell to
You know that I got (3) your skin	Or not to believe (or not to believe)
You sold your soul but I won't let you win	I'm sorry for you (I'm sorry for you)
You talk too much	Not sorry for me (not sorry for me)
You say I do	You chose to hurt those that love you
Difference is nobody cares (4) you	An' won't set them free
You've got all the answers	Won't set them free
You know everything	You chose to hurt those that love you
Why nobody asked you	An' won't set them free
It's a mystery to me	You don't need
I'm sorry for you	Anyone else to be
Not sorry for me (not sorry for me)	Sorry for you
You don't know who in the hell to	You've got no heart
Or not to believe	You can't see
(Or not to believe)	All that you've done for me
I'm sorry for you (I'm sorry for you)	I know the reasons
Not sorry for me (not sorry for me)	You tear me apart
You don't know who you can trust now	
Or you should believe
