

## Fill in the gaps

## Breathe A Little Louder by Ciudad Pasarela

I'll give you everything you want	Breathe a little (16) dear
But it's everything you (1) that really (2)	'Cause I've forgotten what you sound like
it	Maybe you're just (17) deeper waters of
With satisfaction (3) yeah	your soul
You never really (4) to cross the line	Maybe you're alive but somebody didn't tell you
No one (5) you	That you (18) to breathe
That the world outside your shell's a little different	Doing the (19) on (20) best
Pride's just a way of life yeah	friend's arm
The fall will land you on your (7) just fine	The TV (21) with your natural light
Breathe a little louder dear	Fake the way they see you honey
'Cause I've forgotten what you sound like	Let (22) know (23) you can party all
Maybe you're just testing deeper waters of your soul	night
Maybe you're alive but (8) didn't tell you	Breathe a little louder dear
That you need to breathe	'Cause I've forgotten what you sound like
You're (9) back to (10) you came	Maybe you're just testing deeper waters of your soul
from	Maybe you're (24) but somebody didn't tell you
'Cause it's (11) a bit too (12) here on	That you (25) to breathe
the outside	Breathe a little (26) dear
And the fanciness you crave comes up	'Cause I've forgotten what you (27) like
Against the little people on the street	Maybe you're (28) testing (29)
Perfect eyes and makeup	waters of your soul
Make the perfect mask for (13) you can't be feeling	Maybe you're alive but somebody didn't tell you
The nightmare that's behind the smile	That you need to breathe
That's plastered on at (14) (15) and	
greet
