

## Fill in the gaps

The world spit me out	Spin and say
And now we're spinning around	You can (7) me down
Lost in a free fall	You can throw me now
Forever going down	The harder out, the harder I come back around
And breaking through the ground	You can break my heart
When I thought I reached the end	But you can't scratch my name
I (1) to fall again	I can (8) the hit
But I'll start	'Cause I'm a boomerang
To never surrender	
When it's (2) to get up	I'm a boomerang
Gonna fight till I can spin and say	
You can turn me down	I'm a boomerang
You can throw me now	Even though I'm flying high
The harder out, the harder I (3) back around	The sky can change one day
You can break my heart	I can hit some turbulence
But you can't scratch my name	But who I am is never gonna change
I can take the hit	'Cause I'm a boomerang
'Cause I'm a boomerang	'Cause I'm a boomerang
	'Cause I'm a boomerang
I'm a boomerang	You can turn me down
	You can throw me now
I'm a boomerang	The harder out, the harder I come (9) around
Now I'm ten feet tall	You can break my heart
All my problems (4) so small	But you can't scratch my name
Nothing in my way to make me change	I can (10) the hit
No ceiling to my sky	'Cause I'm a boomerang
Just open (5) to fly	
Every time I'm feeling down	I'm a boomerang
I turn it back around	
But I'll start	I'm a boomerang
To never surrender	
When it's hard to get up	
Gonna fight (6) I can't
