Forever And For Always by Shania Twain

	Wanna wake up (7) morning to your sweet face
In your arms I can (1) feel the way	Always
You want me when you hold me	(I wanna wake up every morning)
I can (2) hear the words you whispered	In your eyes
When you told me	(I can still see the look of the one)
I can stay right here forever in your arms	I can still see the look of the one who really (8)
And there ain't no way	me
I'm letting you go now	(I can still feel the way that you want me)
And there ain't no way	The one who wouldn't put anything else
And there ain't now how	In the world above me
Never see that day	(I can still see love for me)
'Cause I'm keeping you forever and for always	I can still see love for me in your eyes
We will be together all of our days	(I can (9) see love)
Wanna wake up every morning to your sweet face	And there ain't no way
Always	I'm lettin' you go now
(Mmm, baby)	And there ain't no way
In your heart	And there ain't no how
I can still (3) a beat for every time you kiss me	I'll never see that day
And when we're apart	'Cause I'm keeping you forever and for always
I know how much you (4) me	We will be together all of our days
I can feel your love for me in your heart	Wanna wake up every morning to your sweet face
And there ain't no way	I'm keeping you forever and for always
I'm lettin' you go now	We will be together all of our days
And (5) ain't no way	Wanna wake up every morning to your sweet face
And there ain't no how	I'm keeping you forever and for always
I'll never see that day	
'Cause I'm keeping you forever and for always	In (10) arms
We (6) be together all of our days
