

We will be together all of our days

## Fill in the gaps

## Forever And For Always by Shania Twain

	Wanna wake up (6) morning to your sweet face
In your arms I can still feel the way	Always
You want me when you hold me	(I wanna wake up (7) morning)
I can still hear the words you whispered	In your eyes
When you (1) me	(I can still see the look of the one)
I can stay right here forever in your arms	I can still see the look of the one who really loves me
And (2) ain't no way	(I can still feel the way that you want me)
I'm letting you go now	The one who wouldn't put anything else
And there ain't no way	In the world above me
And there ain't now how	(I can still see love for me)
Never see that day	I can still see love for me in (8) eyes
'Cause I'm keeping you forever and for always	(I can still see love)
We will be together all of our days	And there ain't no way
Wanna wake up every morning to your sweet face	I'm lettin' you go now
Always	And there ain't no way
(Mmm, baby)	And there ain't no how
In your heart	I'll never see that day
I can still hear a beat for every (3) you	'Cause I'm keeping you forever and for always
(4) me	We will be together all of our days
And when we're apart	Wanna wake up every morning to your sweet face
I know how much you miss me	I'm keeping you forever and for always
I can feel your love for me in your heart	We will be together all of our days
And there ain't no way	Wanna wake up every morning to your sweet face
I'm lettin' you go now	I'm keeping you (9) and for always
And (5) ain't no way	
And there ain't no how	In your arms
I'll never see that day	
Cause I'm keeping you forever and for always
