

## Fill in the gaps

## Forever And For Always by Shania Twain

	Wanna (13) up (14) morning to your
In your arms I can still (1) the way	sweet face
You want me when you (2) me	Always
I can still hear the words you whispered	(I wanna (15) up (16) morning)
When you told me	In (17) eyes
I can stay right here forever in (3) arms	(I can still see the look of the one)
And (4) ain't no way	I can still see the look of the one who really loves me
I'm letting you go now	(I can still (18) the way that you want me)
And there ain't no way	The one who wouldn't put anything else
And there ain't now how	In the (19) above me
Never see that day	(I can still see (20) for me)
'Cause I'm keeping you (5) and for always	I can still see love for me in your eyes
We (6) be together all of our days	(I can still see love)
Wanna (7) up every morning to your	And there ain't no way
(8) face	I'm lettin' you go now
Always	And there ain't no way
(Mmm, baby)	And there ain't no how
In your heart	I'll never see that day
I can still hear a (9) for every time you kiss me	'Cause I'm (21) you forever and for always
And when we're apart	We will be (22) all of our days
I (10) how much you miss me	Wanna wake up every morning to your sweet face
I can (11) your love for me in your heart	I'm keeping you forever and for always
And there ain't no way	We will be together all of our days
I'm lettin' you go now	Wanna wake up every (23) to your sweet
And there ain't no way	face
And there ain't no how	I'm keeping you (24) and for always
I'll never see that day	
'Cause I'm keeping you (12) and for always	In your arms
We will be together all of our days
