Put on your war paint	Hey young blood
You are a brick tied to me (1)	Doesn't it feel like our time is running out?
(2) me down	I'm gonna change you like a remix

Sue the (4) (5) red lining	Release the doves
So we can take the world back from the heart attack	Surrender love
One maniac at a time	The war is won
We will take it back	Before (21) begun
You know time (6) on	Release the doves
When you're waiting for the song to start	Surrender love
So dance (7) to the beat of (8) heart	The war is won
Hey (9) blood	Before it's begun
Doesn't it feel like our time is running out?	Release the doves
I'm gonna change you like a remix	Surrender love
