## Dance, Dance by Fall Out Boy

## Fill in the gaps

	And these are the lives you'd love to lead	
She says she's no good with words but I'm worse	Dance, (6) is the way they'd love	
Barely stuttered out a joke	If they knew how misery loved me	
Of a romantic or stuck to my tongue	Why don't you show me the little bit of spine	
Weighed down with words too over-dramatic	You've been saving for his mattress	
Tonight it's "it can't get much worse"	(Mattress, mattress)	
Vs. "no one should ever feel like"	I only want sympathy in the form of you	
I'm two (1) and a heart down	Crawling into bed (7) me	
And I don't want to forget how your voice sounds	Dance, dance	
These words are all I have so I'll write them	We're falling apart to half time	
So you need them just to get by		
Dance, dance	Dance, dance	
We're falling apart to half time	We're falling apart to half time	
Dance, dance	Dance, dance	
And these are the lives you'd love to lead	And these are the (8) you'd (9)	tc
Dance, (2) is the way they'd love	lead	
If they knew how misery (3) me	Dance this is the way they'd love (way they'd love)	
	Dance this is the way they'd love (way they'd love)	
You always fold just before you're found out	Dance this is the way they'd love	
Drink up its last call, (4) resort	If they knew how misery loved me	
But only the first mistake and I	Dance, dance	
I'm two quarters and a heart down	Dance, dance	
And I don't want to forget how (5) voice sounds	Dance, dance	
These words are all I have so I'll write them	Dance, dance	
So you need them just to get by	Dance, dance	
Why don't you show me the little bit of spine	Dance, dance	
You've been saving for his mattress, love	Dance, dance	
Dance, dance	Dance, dance	
We're falling apart to half time		
Dance, dance
