

Fill in the gaps

	And these are the lives you'd (19) to lead
She says she's no (1) (2)	Dance, this is the way they'd love
(3) but I'm worse	If they knew how misery loved me
Barely (4) out a joke	Why don't you show me the little bit of spine
Of a romantic or (5) to my tongue	You've (20) saving for his mattress
Weighed down (6) words too over-dramatic	(Mattress, mattress)
Tonight it's "it can't get much worse"	I only (21) sympathy in the form of you
Vs. "no one (7) ever (8) like"	Crawling into bed with me
I'm two quarters and a heart down	Dance, dance
And I don't want to (9) how (10)	We're falling (22) to half time
(11) sounds	
These words are all I (12) so I'll write them	Dance, dance
So you (13) them just to get by	We're falling apart to half time
Dance, dance	Dance, dance
We're falling apart to half time	And these are the lives you'd love to lead
Dance, dance	Dance this is the way they'd (23) (way they'd love
And these are the lives you'd love to lead	Dance this is the way they'd (24) (way they'd love
Dance, this is the way they'd love	Dance (25) is the way they'd love
If they knew how (14) loved me	If (26) knew how misery loved me
	Dance, dance
You always (15) just before you're found out	Dance, dance
Drink up its last call, last resort	Dance, dance
But only the first mistake and I	Dance, dance
I'm two quarters and a heart down	Dance, dance
And I don't want to (16) how your voice	Dance, dance
sounds	Dance, dance
These words are all I have so I'll write them	Dance, dance
So you (17) them just to get by	
Why don't you (18) me the little bit of spine	
You've been saving for his mattress, love	
Dance, dance	
We're falling apart to half time	
Dance, dance
