

Fill in the gaps

Uprising by Muse

The (1)_____ is in bloom, the PR
The transmissions will resume
They'll try to push drugs
Keep us all dumbed down and hope that
We will never see the truth around
Another promise, another scene, another
A package not to keep us (2)_____ in greed
With all the green (3)_____ wrapped around our minds
And endless red tape to keep the truth confined
They will not (4)_____ us
They will stop degrading us
They will not (5)_____ us
We will be victorious
Interchanging mind control
Come let the revolution take its toll if you could
Flick the switch and open your third eye, you'd see that
We should (6)_____ be afraid to die

Rise up and take the power back, it's time that
The fat cats had a heart attack, you know that
Their time is coming to an end
We have to (7)_____ and watch our flag ascend
They will not (8)_____ us
They will stop degrading us
They will not control us
We will be victorious
They will not force us
They will stop degrading us
They will not control us
We (9)_____ be victorious
