

Fill in the gaps

The paranoia is in bloom, the PR
The transmissions will resume
They?ll try to push drugs
Keep us all dumbed down and hope that
We (1) never see the (2) around
Another promise, another scene, another
A package not to keep us trapped in greed
With all the green belts wrapped around our minds
And endless red tape to keep the truth confined
They will not force us
They will stop degrading us
They will not control us
We will be victorious
Interchanging mind control
Come let the (3) take it?s toll if you
could
Flick the switch and (4) (5)
(6) eye, you?d see that
We should never be afraid to die

Rise up and take the power back, it?s time that
The fat (7) had a (8) attack, you
know that
Their time is coming to an end
We (9) to (10) and watch our flag
ascend
They will not force us
They will stop degrading us
They will not control us
We will be victorious
They will not force us
They will stop degrading us
They will not control us
We will be victorious
