I'll Be There For You by The Rembrandts

So no one told you life was gonna be this way	'Cause you're there for me too
Your jobs a joke, you're broke	No one could ever know me
Your love life's D.O.A.	No one could ever see me
It's like you're always stuck in second gear	Seems you're the only one who knows
And it hasn't been your day	What it's like to be me
Your week, your month	Someone to (6) the day with
Or even your year, but	Make it (7) all the rest with
I'll be there for you	Someone I'll allways laugh with
When the rain starts to pour	Even at my worts I'm best with you
I'll be (1) for you	Yeah
Like I've been there before	It's like you're allways (8) in second gear
I'll be there for you	And it hasn't been your day
'Cause you're there for me too	Your week, your month
You're still in bed at ten	Or even your year
And work (2) at eight	I'll be there for you
You've (3) your (4) so	When the rain starts to pour
far	I'll be there for you
Things are going great	Like I've been (9) before
Your mother warned you	I'll be there for you
There'd be days like these	'Cause you're there for me too
Oh, but she didn't tell you	I'll be there for you
When the world has brought	I'll be there for you
You down to your (5) that	I'll be there for you
I'll be there for you	'Cause you're there for me too
When the rain starts to pour	
I'll be there for you
