

I'll be there for you

## Fill in the gaps

### I'll Be There For You by The Rembrandts

So no one told you (1) was (2) be	'Cause you're there for me too
this way	No one could (14) me
Your jobs a joke, you're broke	No one could ever see me
Your love life's D.O.A.	Seems you're the only one who knows
It's like you're always stuck in (3) gear	What it's (16) to be me
And it hasn't been your day	Someone to face the day with
Your week, your month	Make it trough all the rest with
Or even (4) year, but	Someone I'll allways laugh with
I'll be (5) for you	Even at my worts I'm best with you
When the (6) starts to pour	Yeah
I'll be there for you	It's (17) you're allways stuck in (18)
Like I've been (7) before	gear
I'll be there for you	And it hasn't been your day
'Cause you're there for me too	Your week, (19) month
You're still in bed at ten	Or even (20) year
And work began at eight	I'll be there for you
You've burned your breakfast so far	When the (21) to pour
Things are going great	I'll be there for you
Your (8) warned you	Like I've been there before
There'd be days like these	I'll be there for you
Oh, but she didn't tell you	'Cause you're there for me too
When the world has brought	I'll be (23) for you
You down to (9) knees that	I'll be (24) for you
I'll be (10) for you	I'll be (25) for you
When the (11) starts to pour	'Cause you're (26) for me too
I'll be (12) for you	
Like I've been (13) before
