I'll Be There For You by The Rembrandts

So no one told you life was gonna be this way	'Cause you're there for me too
Your jobs a joke, you're broke	No one could ever know me
Your love life's D.O.A.	No one could ever see me
It's like you're (1) stuck in (2)	Seems you're the only one who knows
gear	What it's like to be me
And it hasn't been (3) day	Someone to face the day with
Your week, your month	Make it trough all the rest with
Or even (4) year, but	Someone I'll allways (6) with
I'll be there for you	Even at my (7) I'm best with you
When the rain starts to pour	Yeah
I'll be there for you	It's like you're allways stuck in second gear
Like I've been there before	And it hasn't (8) your day
I'll be there for you	Your week, your month
'Cause you're there for me too	Or even your year
You're still in bed at ten	I'll be there for you
And work began at eight	When the rain starts to pour
You've burned your breakfast so far	I'll be there for you
Things are going great	Like I've been there before
Your mother warned you	I'll be there for you
There'd be days like these	'Cause you're there for me too
Oh, but she didn't (5) you	I'll be (9) for you
When the world has brought	I'll be there for you
You down to your knees that	I'll be there for you
I'll be there for you	'Cause you're (10) for me too
