Ok! Coconut Man, (1)_____ and Pea...

You ready!

Seems like everybody's got a price

I wonder how they sleep at night

When the sale comes first

And the truth comes second

Just stop, for a minute and smile

Why is everybody so serious

Acting so damn mysterious

Got your shades on your eyes

And your heels so high

That you can't even have a good time

Everybody look to their left

Everybody look to their right

Can you feel that? yeah!

We're paying with love tonight...

It's not about the money, money, money

We don't (2)_____ (3)_____ money, money, money

We just wanna make the world dance

Forget about the price tag

Ain't about the (ha)

When music made us all unite

Fill in the gaps

And it wasn't low blows and video hoes

Am I the only one gettin' tired?

Why is everybody so obsessed?

Money can't buy us happiness

Can we all slow down and enjoy right now

Guarantee we'll be feelin all right

Everybody look to their left

Well, keep the price tag

And take the cash back

Just give me six strings and a half step

And you can keep the cars

Leave me the garage

And all I...

Yes all I need are keys and guitars

And guess what

In 30 seconds I'm leaving to Mars
