

Fill in the gaps

Angel Of The Morning by Juice Newton

There'll be no strings to bind (1) hands	Just call me angel of the (11) angel
Not if my love can't bind your heart	Just (12) my (13)
There's no need to take a stand	(14) you leave me, baby
For it was I who (2) to start	Just call me (15) of the (16)
I see no need to take me home	angel
I'm old enough to face the dawn	Then slowly (17) away, I won't beg you to stay with
Just call me angel of the morning angel	me
Just touch my cheek (3) you (4)	Through the (18) of the day, of the years, baby
me, baby	Just (19) me (20) of the
Just call me (5) of the morning angel	(21) angel
Then (6) (7) away from me	Just touch my cheek (22) you leave me, baby
Maybe the sun's light (8) be dim	Just (23) me angel of the morning angel
And it won't matter anyhow	Just touch my (24) before you leave me, darling
If morning's echoes say we've sinned	Just call me angel of the morning angel
Well, it was (9) I (10) now	Just (25) my cheek before you (26)
And if we're victims of the night	me, darling
I won't be blinded by the light
