

## Fill in the gaps

(Oh, oh, oh)	Do you remember
(Oh, oh, oh)	All the city lights on the water?
You were in college	You saw me start to believe
Working part-time, waiting tables	For the first time
Left a small town and never (1)	back You made a rebel
I was a (2) risk, with the fea	ar of falling Of a careless man's careful daughter
Wondering why we bother with love	You are the best thing
If it (3) lasts	That's (6) been mine
I say, "can you believe it?"	(Oh, oh, oh, oh)
As we're lyin' on the couch	And I (7) that fight, two-thirty AM
The moment, I can see it	You said everything was slipping
Yes, yes	Right out of our hands
I can see it now	I ran out crying
Do you remember	And you followed me out into the street
We were sitting there, by the water?	Braced myself for the goodbye
You put (4) arm around me	'Cause that's all I've ever known
For the fist time	Then, you took me by surprise
You made a rebel	You said, "I'll never (8) you alone"
Of a careless man's careful daughter	You said
You are the best thing	"I remember how we felt, sitting by the water
That's ever been mine	And every time I look at you
Flash forward	It's like the first time
And we're taking on the world together	I fell in love (9) a careless man's careful daughter
And there's a drawer of my things at your pl	lace She is the best thing
You learn my secrets	That's ever been mine"
And figure out why I'm guarded	(Hold on, we'll make it last)
You say we'll never make my parents' mista	akes (Hold on, never turn back)
But we got bills to pay	You made a rebel
We got nothing figured out	Of a (10) man's careful daughter
When it was hard to take	You are the best thing
Yes, yes	That's ever been mine
This is what I thought about	Do you believe it?
Do you remember	
We were sitting there, by the water?	We're gonna make it now
You put your arm around me	
For the fist time	And I can see it now
You made a rebel	
Of a careless man's careful daughter	And I can see it now (see it now)
You are the best thing	
That's ever (5) mine
