...

There's a fire starting in my heart

Reaching a fever pitch and it's (1)_____ me
out the dark

Finally, I can see you crystal clear

See how I'll leave every piece of you

Don't underestimate the things that I will do

There's a fire starting in my heart

Reaching a (2)_____ pitch and it's bring me out the
dark

The scars of your love remind me of us

They keep me thinking that we almost had it all

The scars of your love, (3)_____ leave me breathless

I can't help feeling

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

But you (4)_____ it with the beat

Baby, I have no story to be told

But I've heard one on you

And I'm gonna make your head burn

Think of me in the depths of your despair

Make a home down there as mine sure won't be shared

The scars of your love remind me of us

They keep me thinking that we almost had it all

The scars of your love, they leave me breathless

I can't help feeling...

We (5)_____ have had it all...

Rolling in the deep...

You had my heart inside your hand

But you played it with the beat

We could have had it all...

Rolling in the deep...

You had my (6)_____ inside your hand

But you played it with a beating

Throw your soul (7)_____ every open door

Count (8)_____ blessings to (9)_____ what your
look for

Turn my sorrow into treasured gold

You'll pay me back in kind

And reap just what you've sown

We could have had it all... (un aplauso México)

We could have had it all...

It all, it all, it all

We could have had it all...

Rolling in the deep...

You had my (10)_____ inside your hand

But you played it with the beat

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

But you played it

You played it
