

## Fill in the gaps

### Rolling In The Deep (Cover) by Maddi Jane

There's a fire starting in my heart

Reaching a fever pitch and it's bringing me out the dark

Finally, I can see you crystal clear

Go (1)\_\_\_\_\_ and (2)\_\_\_\_\_ me out and a I'll lay  
your ship bare

See how I'll leave with every piece of you

Don't underestimate the things that I will do

There's fire starting in my heart

Reaching a fever pitch and it's bring me out the dark

The scars of your love remind me of us

They keep me thinking that we almost had it all

The scars of your love, they leave me breathless

I can't help feeling

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

And you played it to the beat

Baby, I have no story to be told

But I've heard one on you

And I'm gonna make your head burn

Think of me in the depths of you despair

Make a home down there as mine sure won't be shared

The scars of your love remind me of us

The keep me thinking that we almost had it all

The scars of you love, they leave me breathless

I can't help feeling

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

And you played it to the beat

Throw your soul through every open door

Count your blessings to (3)\_\_\_\_\_ what you look for

Turn my (4)\_\_\_\_\_ (5)\_\_\_\_\_ treasured gold

You'll pay me back in kind

And reap just what you've sown

...

We could have had it all...

We could (6)\_\_\_\_\_ had it all (all)

It all, it all, it all

We could have had it all...

Rolling in the deep...

You had my (7)\_\_\_\_\_ inside your hand

And you played it to the beat

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

But you played it

You (8)\_\_\_\_\_ it

You played it

You played it to the beat
