

## Fill in the gaps

Climb a mountain swim the (1) seas	It said our first kiss and
Get your body to look like Hercules	I'm running out of time
Jump out an airplane with a parachute	I'm running out of time
Fly up and away on a hot air balloon	And this is not a dare
We (2) know where it all ends	Not some trick of a daredevil
Some say it's almost over	I'd trade in my wildest dreams
Almost over	For your (6) in this
If this is it then (3) why ain't I on your shoulder	Lifetime
On your shoulder	I want lifetime
In this lifetime	'Cause I took a long look at my bucket list
I want you to be mine	And I saw that at the bottom
'Cause I (4) a long look at my bucket list	It said our first kiss
And I saw that at the bottom	Yeah, I took a long look at my bucket list
It said our first kiss and	And I saw that at the bottom
I'm running out of time	It said our (7) kiss and
I'm running out of time	I'm running out of time
Get on your boots and visit the North Pole	I'm running out of time
Try (5) sport until you score a goal	I'm (8) out of time
Follow the path of a butterfly	I'm running out of time
Go to Ground Zero and do nothing but cry	To make you mine (to (9) you mine)
We don't know how much time that we got left in this world	To make you mine (to make you mine)
This beautiful world	To make you mine (mine)
In this lifetime	To (10) you mine (to make you mine, make mine)
I want you to be mine	
'Cause I took a long look at my bucket list	
And I saw that at the bottom
