

Fill in the gaps

Took a deep breath in the mirror
He didn't like it when I wore (1) heels
But I do
Turn the lock and put my (2) or
He always said he didn't get this song
But I do, I do
Walked in expecting you'd be late
But you got here early and you stand and wave
I walk to you
You pull my chair out and help me in
And you don't know how (3) that is
But I do
And you throw your head back laughing
Like a little kid
I think it's strange that you think I'm funny 'cause
He never did
I've been spending the last 8 months
Thinking all love ever does
Is break and burn and end
But on a Wednesday in a cafe
I watched it begin again
You (4) you never met one girl who
Had as many James Taylor records as you
But I do
We tell (5) and you don't know why
I'm coming off a little shy
But I do
But you throw your hoad back laughing

Like a little kid
I think it's strange that you think I'm funny 'cause
He (6) did
I've been spending the last 8 months
Thinking all love ever does
Is (7) and burn and end
But on a Wednesday in a cafe
I watched it begin again
And we walked down the block, to my car
And I almost brought him up
But you start to talk (8) the movies
That your family watches every single Christmas
And I (9) to talk about that
And for the first time
What's past is past
'Cause you throw your head (10) laughing
Like a little kid
I think it's strange that you think I'm funny 'cause
He never did
I've been spending the last 8 months
Thinking all love ever does
Is break and burn and end
But on a Wednesday in a cafe
I watched it begin again
But on a Wednesday in a cafe
I watched it begin again
