### Fill in the gaps

### Everything You Didn't Do by Jamie Cullum

I will meet you in the city	Everything you didn't do
When it's lit up by the stars	Standing right in front of you
In the moonlight we're all pretty	I don't even (12) to say
'Cause it papers all the scar	About every little thing
Ever feel like you belong	'Cause I'm tired and I want to go to sleep
To a story you ain't heard	It's so clear now
Doesn't (1) if it's (2) song	It's so clear now
And you don't know all the words	It's so (14) now
We should put up the sun	It's so (15) now
We are citizens of all you can see	It's so clear now
We've got (3) but time	It's so clear now
You'll (4) everything you didn't do	That you'll find (16) you didn't do
Everything you didn't do	(Don't give up because you (17) know)
Standing right in front of you	(Don't (18) up)
But (5) combination	Everything you didn't do
Of a thousand dirty hands	(Don't give up (19) you (20)
There's no (6) for complication	know)
On the shoulders we (7) stand	(Don't give up)
It's a patient exploration	Everything you didn't do
Where discovery is free	(Don't (21) up because you wanna know)
There's no need for explanations	(Don't give up)
We exist (8) we can see	Everything you didn't do
We (9) put up the sun	(Don't (22) up because you wanna know)
We are citizens of all you can see	(Don't give up)
We've got (10) but time	Standing right in (23) of you
You'll (11) everything you didn't do
