Everything You Didn't Do by Jamie Cullum

I (1) meet you in the city	Everything you didn't do
When it's lit up by the stars	Standing right in front of you
In the moonlight we're all pretty	I don't even know what to say
'Cause it (2) all the scar	About every little thing
Ever feel like you belong	'Cause I'm tired and I want to go to sleep
To a story you ain't heard	It's so clear now
Doesn't matter if it's your song	It's so clear now
And you don't know all the words	It's so clear now
We should put up the sun	It's so clear now
We are citizens of all you can see	It's so clear now
We've got nothing but time	It's so clear now
You'll (3) (4) you didn't	That you'll find everything you didn't do
do	(Don't give up because you wanna know)
Everything you didn't do	(Don't give up)
Standing (5) in front of you	Everything you didn't do
But euphoric combination	(Don't give up because you wanna know)
Of a thousand dirty hands	(Don't give up)
There's no need for complication	Everything you didn't do
On the shoulders we would stand	(Don't give up because you wanna know)
It's a patient exploration	(Don't give up)
Where discovery is free	Everything you didn't do
There's no need for explanations	(Don't give up (7) you (8)
We exist where we can see	know)
We should put up the sun	(Don't give up)
We are citizens of all you can see	Standing right in (9) of you
We've got nothing but time	
You'll find (6) you didn't do
