

## Fill in the gaps

Here's a song		Cause if I had to go
It (1)	me of (2) we were young	In my (15) you'ld grow
Looking (3)	at all the (4) we've	And that's where you belong
done		If I'm to fall
You gotta keep on keeping on		Would you be (16) to applaud
Out to sea		Or (17) you hide (18) them all
It's the only (5) I honestly		'Cause if I had to go
Can get myself some (6) of mind		In my heart you'd grow
You know it's (7) hard to fly		And that's (19) you belong
If I'm to fall		'Cause I'm outta time
Would you be there to applaud		I'm outta time
Or (8) you (9) behind (10)		I'm outta time
all?		I'm (20) time
'Cause if I had to go		I'm (21) time
In my (11)	you'd grow	
And that's where yo	ou belong	
If I'm to fall		
Would you be (12)	to applaud	
Or would you (13)	behind (14) all?
