

Fill in the gaps

Here's a song			'Cause if I had to go	
It (1)	me of when we (2)	young	In my (8)	you'ld grow
Looking back at all the things we've done			And that's where you belong	
You (3)	keep on keeping on		If I'm to fall	
Out to sea			Would you be there to applaud	
It's the (4)	place I honestly		Or (9)	you hide behind them all?
Can get myself some (5) of mind			'Cause if I had to go	
You know it's getting hard to fly			In my heart you'd grow	
If I'm to fall			And that's where you belong	
Would you be there to applaud			'Cause I'm outta time	
Or (6)	(6) you hide behind them all?		I'm outta time	
'Cause if I had to go			I'm outta time	
In my heart you'd grow			I'm outta time	
And that's where you belong			I'm outta time	
If I'm to fall				
Would you be the	re to applaud			
Or would you hide	e behind (7) all?
