The House That Built Me by Miranda Lambert

I (1) they say	I (16) if I could touch this place or feel in
You can't go (2) again	This brokenness (17) me
I just had to come (3) one last time	Might start healing
Ma'am I know	Out here its like I'm someone else
You don't know me (4) Adam	I thought that (18) I could find myself
But these (5) on the front steps are	If I could just come in I (19) I'll leave
mine	Won't take nothing but a memory
And up those stairs	From the house that
In that little back bedroom	Built me
Is where I did my homework	You (20) home
And I learned to play guitar	You move on
And I bet you (6) know	And you do the best you can
Under that live oak	I got lost in this (21) world and forgot
My favorite dog is buried in the yard	Who I am
I (7) if I could touch this place or feel it	I thought if I could touch this place or feel it
This brokenness (8) me might	This brokenness (22) me
(9) healing	Might (23) healing
Out here its like (10) someone else	Out here its like I'm someone else
I thought (11) maybe I could find myself	I thought that maybe I could find myself
If I (12) just come in I (13) I'll leave	If I (24) walk around I swear I'll leave
Won't take nothing but a memory	Won't take nothing but a memory
From the house that	From the house that
Built me	Built me
Mama cut out pictures of houses for years	
From 'Better (14) and Garden' magazines	
Plans were drawn and concrete poured	
And (15) by nail and board by board	
Daddy gave life to mama's dream
