Daddy gave life to mama's dream

Fill in the gaps

The House That Built Me by Miranda Lambert

I know they say	I thought if I could touch this place or feel it	
You can't go home again	This (7) (8)	m
I just had to come (1) one last time	Might start healing	
Ma'am I know	Out here its like I'm someone else	
You don't know me from Adam	I thought that maybe I could find myself	
But these handprints on the front steps are mine	If I could just come in I swear I'll leave	
And up those stairs	Won't take nothing but a memory	
In that little back bedroom	From the house that	
Is where I did my homework	Built me	
And I learned to play guitar	You leave home	
And I bet you didn't know	You move on	
Under that (2) oak	And you do the best you can	
My favorite dog is buried in the yard	I got lost in this whole world and forgot	
I thought if I (3) touch this place or feel it	Who I am	
This brokenness (4) me might start healing	I thought if I could touch this place or feel it	
Out here its (5) I'm someone else	This brokenness inside me	
I thought that maybe I could (6) myself	Might start healing	
If I could just come in I swear I'll leave	Out here its like I'm someone else	
Won't take nothing but a memory	I (9) that maybe I could find myself	
From the house that	If I could walk around I swear I'll leave	
Built me	Won't take nothing but a memory	
Mama cut out pictures of houses for years	From the house that	
From 'Better Homes and Garden' magazines	Built me	
Plans were drawn and concrete poured		
And nail by nail and board by board
