The Masterplan by Oasis

Fill in the gaps

•••
Take the time to make some sense
Of what you want to say
And (1) (2) words away upon the waves
Sail them home (3) acquiesce
On a ship of hope today
And as they land upon the shore
Tell them not to fear no more
Say it loud and sing it proud
Today
And (4) dance if you want to dance
Please (5) take a chance
You know they're gonna go
Which way (6) go
All we know is that we don't know
How it's gonna be
Please brother let it be
Life on the other hand
Won't make us understand
We're all part of the masterplan
Say it (8) and sing it proud
Today

im not saying right is wrong
It's up to us to make
The best of all the things that come our way
'Cause everything that's been has past
The answer's in the looking glass
There's four and (9) million doors
On life's endless corridor
Say it loud and sing it proud
And they
Will (10) if they want to dance
Please brother take a chance
You know they're gonna go
Which way they wanna go
All we know is that we don't know
How it's gonna be
Please brother let it be
Life on the other hand
Won't make us understand
We're all part of the masterplan
