We, the people fight for our existence	On the wrong (14) of his bed
We don't (1) to be perfect	And it (15) don't matter now
But we're free	'Cause little by little
We (2) our (3) alone	We gave you everything
With no resistance	You ever dreamed of
Fading like the stars we wish to be	Little by little
You (4) I didn't mean	The wheels of your life
What I just said	Have slowly fallen off
But my God (5) up	Little by little
On the wrong side of his bed	You have to give it all in all (16) life
And it just don't (6) now	And all the time
'Cause (7) by little	I (17) ask (18) why
We gave you everything	You're (19) here
You ever dreamed of	(Hey)
Little by little	Little by little
The wheels of (8) life	We (20) you everything
Have slowly fallen off	You ever dreamed of
Little by little	Little by little
You (9) to (10) it all in all your life	The wheels of your life
And all the time	Have slowly fallen off
I just ask myself why	Little by little
You're really here	You had to (21) it all in all your life
True perfection has to be imperfect	And all the time
I know that (11) foolish, but it's true	I just ask myself why
The day has come	You're really here
And now you'll have to accept	Why am I really here?
The life (12) your head we give to you	Why am I (22) here?
You know I didn't mean	
What I (13) said	
But my God woke up
